POWER NETWORKS

ATLAS POWER NETWORKS, INC. · HUNTINGTON BEACH, CALIFORNIA

Private-Label Kit

Wireless charging products, built for your brand

U.S. brand owner | Private label | OEM / ODM | Samples for qualified buyers

ATLAS designs magnetic wireless power banks and ultra-slim power banks for distributors, retailers, corporate-gift buyers and private-label partners. Our verified factory partners manufacture every unit to ATLAS specifications. Carry them under the ATLAS brand or your own.

THE PRODUCT LINE

Two products, ready for your brand

ATLAS MagBank + PowerOS · finish shown: white (right) · colorway confirmed on inquiry

ATLAS MagBank + PowerOS

Magnetic wireless power bank · TFT status display

- **Magnetic wireless charging** — magnetic alignment on compatible magnetic phones and cases
- **TFT status display** — charge level and status at a glance
- **USB-C port** for wired charging by cable
- **Works standalone** — no app needed

ATLAS brand or your label | OEM / ODM

POWEROS READY PROGRAM

PowerOS Ready Program — AI battery optimization for phone and power bank together · Included with ATLAS MagBank + PowerOS and ATLAS SlimCard + PowerOS units · Features rolling out in stages

Base platform shown · ATLAS or buyer branding applied to order

ATLAS SlimCard + PowerOS

Ultra-slim power bank · PowerOS Ready

- **Ultra-slim profile** for pocket or bag carry
- **Wired charging** for emergency top-ups (not a wireless charger)
- **LED indicator** for charge level

ATLAS brand or your label | OEM / ODM

Specifications, pricing, MOQ, certifications and lead times confirmed on inquiry. Final specifications are fixed after sample approval.

MAKE IT YOURS

Customization options

Put the ATLAS MagBank + PowerOS and ATLAS SlimCard + PowerOS under your own brand, or carry them under the ATLAS brand. We handle design, branding and coordination with our verified factory partners.

Logo
ATLAS logo or your logo on the product.

Colorway
Custom colorway or finish on request.

Retail box & insert artwork
Your retail box, insert and manual artwork.

Carton marks
Inner and outer carton marks.

Scope confirmed on inquiry.

HOW IT WORKS

From inquiry to delivery in 4 steps

1

Inquiry & brief
Tell us the product, quantity, destination and branding you need.

2

Samples for qualified buyers
Samples before production. Terms confirmed on inquiry.

3

Branding & packaging approval
You approve logo, colorway and packaging artwork.

4

Production by verified factory partners & delivery
Manufactured to ATLAS specifications and shipped to you.

Specifications, pricing, MOQ, certifications and lead times confirmed on inquiry

Compliance and shipping documents for the exact production model are provided on inquiry. Tell us which documents your market needs.

A U.S. brand, built on verified manufacturing. ATLAS Power Networks, Inc. is a U.S. brand owner based in Huntington Beach, California. We design and brand wireless charging products; verified factory partners manufacture them.
